AMENDMENT TO THE TENDER FOR AIR-CONDITIONING WORKS

IN

CO-WORKING SPACE & INCUBATOR CENTER

Name of the Work: Air-Conditioning Works

Based on the Pre-Bid meeting held on 6th February 2020 at **VJTI Technology Business Incubator, CoE-CNDS Lab, Veermata Jijabai Technological Institute, Matunga, Mumbai -400019 at 05:00 pm**, the following amendments have been made to the Tender.

General Conditions:

11.	The contractor to have a qualified Architect in his team having a minimum of Diploma in Architecture as his/her qualification.
-----	--

Clarification: The requirement of the Architect in the team is not mandatory. Vendor may have an architect in team. This would be beneficial.

19.	Contractors have to take prior approval in writing from Chairperson, VJTI-TBI before executing extra items and excess quantity.
-----	---

Clarification: No extension will be given for any additional items added in the contract, unless competent authority VJTI-TBI determines that additional work is extensive enough to give any further extension.

SPECIAL CONDITIONS OF CONTRACT

A. Submission of Tender and its accompaniments

9.	Architect's Registration Certificate	Qualification Certificate of the Architect who would be working on this project full time along with the Contractor's team. Photocopy of the B.Arch or Diploma Certificate to be attached signed by the Architect with COA Registration number
----	--	--

Clarification: This document is optional

General Clarification: Please quote for the item rates based on the specifications mentioned in the Tender. No modifications will be entertained regarding any specifications.
